

🎉💎 Invitation to the Austin Chinese Choir 35th Anniversary Gala Concert “Glorious Dawn” 💎🎉

Join us for a landmark celebration! Marking the 35th Anniversary of the Austin Chinese Choir, we warmly invite you to attend our 35th Anniversary Gala Concert, “Glorious Dawn.”

For this milestone concert, we are honored to collaborate with outstanding musicians from the Austin area. The program features works by composers such as Mozart and Christopher Tin, as well as pieces by distinguished composers, including the renowned contemporary Taiwanese composer Shui-Long Ma. We are proud to present a rich and diverse repertoire of beautiful and memorable music, ranging from Western classical sacred music and art pop to film themes, Taiwanese folk songs, campus songs, contemporary arrangements, and a crossover song cycle that blends global musical traditions with orchestral and choral elements.

In celebration of cultural diversity and inclusivity, this year’s program features music in nine languages across nine cultures — English, Mandarin, Taiwanese, Latin, German, Hebrew, Persian, Sanskrit, and Māori. Through this musical journey, we hope not only to perform for you, but also to serve as a bridge uniting humanity, inviting you to explore our shared world through sound and experience the beauty of musical fusion.

For the past 35 years, the Austin Chinese Choir has been dedicated to promoting choral arts, fostering cultural exchange, and building meaningful connections within the Austin community. This special event is a musical offering to our city, to cultural exchange, to music lovers, and to all who have supported us along the way. Through music, we gather to celebrate the past and look forward to a bright new dawn together.
